There is but very little wheat being marketed and the elevator men are complaining that the farmers are holding their wheat for a higher price. There is considerable old wheat in the county—some of the growers having 5000 or 6000 bushels in their bins.

A large force of men have been excavating for the new elevator of the Hays Mill Company. There will be six concrete tanks, each seventy-five feet high. On their trip going they went by the way of Idaho (which was considerably out of their road) to visit Wm. Hollenbeck and family. They report the Hollenbecks have a nice home and are doing well. They seemed glad to see people from Hays. The trip overlaid was rather strenuous but every moment was enjoyed by all the party and the fair was worth the trip.

To Patrons of the Normal Lyceum Course.

Hays, Kansas, Oct. 2, 1915.

DEAR FRIEND:

We are submitting the following announcements for the season of 1915-16.

Jetta Campbell Stanley, Soprano, Song Recital, Oct. 26.

Hon. Chas. F. Scott, Lecture, "Belgium's Lessons," Nov. 8.

Sir Edward Baxter Perry, Literary Piano Recital, Dec. 10.

Ng Poon Chew, Chinese Statesman and Journalist, Jan. 10.

Hon. P. P. Claxton, Commissioner of Education, Lecture, Open Date.

Hon. Henry J. Allen, Lecture, Popular Subject, Feb. 14.

Manhattan Ladies Quartette of New York, Concert, Mar. 3.

The course is to contain four lectures and three musicals with no so called "entertainers." Hence we approach with a little more serious arrangement of numbers as befits a community of large and growing appreciation. But our course costs us as much this year as the ten numbers cost last year. It is not the policy of the committee to cheapen but to raise the merits of the Lyceum.

The music department of the Normal guarantees the excellence of the musical numbers. All the lecturers are men of not only national but international repute who have something to say and who know how to say it.

The Manhattan Ladies Quartet is a well balanced company, each a soloist. Their engagements have been before the most prominent music clubs of America and Europe. We were fortunate to book them as their engagement is worth the price of a course ticket.

Prices as last year, \$2.25, \$2.00 and \$1.75, according to position, with a 50c. reduction from those prices to student purchasers.

Tickets at Markwell's book store, Tuesday, Oct. 12. Mail orders from out of town will receive careful attention. Performances begin at 8:15.

Respectfully,  
C. J. Smith,  
J. S. Bird,  
H. E. Malloy,  
P. C. Harvey,

Committee

Dr. Snyder and wife expect to go to Kentucky, in a short time, to visit their daughter, Lucy and husband.
